AWESOME APPS FOR SOCIAL STUDIES

EXCITING IPAD APPS FOR STUDENT LEARNING

App: American Presidents
What's Awesome About It: This app has a highly-visual design, including over 300 historical images and paintings. In addition, it includes a timeline and shares an easy-to-read summary of the service of each president. Several historical documents are also included.
Price: $3.99

App: My Congress
What's Awesome About It: All of your current senators and house members are a touch away. See all current news about your representatives along with their Twitter/YouTube channels. You can also contact them directly from the app.
Price: Free

App: History Line
What's Awesome About It: This is a simple, yet elegant way to develop a conceptual foundation for the order of events occurring in various time periods in U.S. History. Simply drag and drop the events into the timeline in proper sequence. Great for review!
Price: Free

App: Stats of the Union
What's Awesome About It: Data, data, data! This is a great way to visualize and compare demographic data from across the U.S. Examine and compare birth/death rates, incomes, and more.
Price: Free

App: First-Hand History of America
What's Awesome About It: This app has tons of primary source documentation from various eras in U.S. History from the discovery of the New World to 1925. You can bookmark and highlight your research, too.
Price: $3.99

App: The Civil War Today
What's Awesome About It: This app covers the events of the Civil War in real time through images, news, and stats, provided in a highly-visual, newspaper-style format. Each day brings new news.
Price: Web-based, works in your browser.
